Back-Issues Index—The Parish Paper

Unlike the typical newsletter, The Parish Paper is strictly a reprint-rights publication.

A congregational reprint-rights fee allows your congregation to photocopy or print 1 copy or 10 copies or 9,879 copies of a back-issue (or any sections of a back-issue, such as the cartoon) to use locally in any manner you wish or to put into your congregation’s newsletter or on its Website.

A judicatory reprint-rights fee allows your judicatory to photocopy or print 1 copy or 10 copies or 9,879 copies of a back-issue (or any sections of a back-issue, such as the cartoon) and distribute to congregations within your judicatory in any manner you wish or to put into your judicatory newsletter or on its Website. Your congregations, in turn, have permission to reproduce the back-issues for local use in any manner they wish.
